EXPERT TALK

1

An invited lecture was conducted by Dr. Jayalal Sarma M N (Associate Professor, Department of Computer Science, IIT Madras) on

“Bridging the gap between the Algorithms and Formal Languages”

2

An invited lecture was organized on 23rd January, 2018. The talk was

handled by Mr. Binu A, Department of

Information Technology, RSET. The topic for the session was Introduction to GPU

HOUR OF CODE

The Hour of Code is a global movement by Computer Science Education

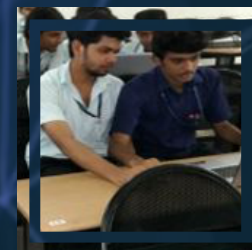

week and code.org reaching ten millions of students in 180+

countries through a one-hour introduction to Computer Science and Computer programming. Our Chapter organized the event at a reputed institute in Kochi, BHAVAN'S VIDYA MANDIR, Girinagar on 16th November, 2017 on App Inventor for Android

WORKSHOPS

An Inter-College and Intra-College workshop on Android App Development was conducted by the Chapter for two days with great feedbacks.

The workshop was attended by 58 participants, among them 38 were from other colleges. The workshop activities were actively executed by 15 student volunteers and 3 faculty coordinators.

The Android Application Development Workshop was conducted by the

Computer Science Department of MITS in collaboration with the ACM Student Chapter of MITS aims at teaching the individual the basics of android application development from step 1 and enabling them to design application.
